

## Eliminate nasty malodors.

Nothing is worse than a stinky RV. Our line of 3X deodorizers does everything from complete odor neutralization and elimination to odor encapsulation and germ sanitation. Whether it's time to get your RV out of storage or get rid animal or trash malodors, 3X has the right product.

### Nodor

#### Non-Aerosol Natural Odor Eliminator

Uses the fresh, natural power of citrus oils to eliminate foul odors with just one spray - even skunk odor! Nodor eliminates odors caused by: Animals & Pets, Cooking, Mold & Mildew, Tobacco Smoke, Trash Containers, Urine, Vomit, and more! Available in Orange and Berry scents.

### Single Shot

#### 3 in 1 Disinfectant, Deodorizer, & Sanitizer

Single Shot gets rid of odor causing bacteria and germs in one application. It combines the power of a disinfectant in a fogging aerosol spray to knock out tough odors and keep RV's, trailers, and vehicles fresh and odor free. Its misting fog reaches into surfaces, fabrics, and ventilation and kills mold & mildew and other microorganisms that create foul odors. Single Shot's unique 2 way valve also offers short burst sprays for smaller areas. One can treats 6,000 sq. feet. Virucidal, Fungicidal, Bactericidal, Staphylocidal, Kills MRSA & Influenza A Virus.

### Odor Blast

#### All Surface Odor & Moisture Extractor

Actively eliminates tough organic odors at their source with its dynamic blend of advanced granular active oxidants. Odor Blast is not simply a masking agent or broadcasted scent. When applied to a spill on carpet, upholstery, and other surfaces, it wicks up any moisture while it deodorizes. Ideal for use during storage to prevent musty odors and to absorb unpleasant black water spills around RV holding tanks.

### Refreshed

#### Odor Neutralizing Gel with Activated Charcoal

Formulated as a semi-solid gel, Refreshed uses charcoal to absorb offensive odors and neutralize air without perfumes or masking agents. Remove the lid, place the container anywhere odors are a concern. Covers approximately 400-1,000 square feet. Last for 30 days in summer, and up to 90 days during winter storage.
