## Solutions to treating rust and corrosion.

Rust...the relentless adversary of anything metal. It creeps, eats, and never sleeps. 3X:Chemistry rust removal and treatment products will restore years of new life to aged rusted metal. Our products do the work for you and eliminate the grueling labor and expense of grinding and sandblasting.

*Use on undercarriage, frame rails, hitches, trailers, stairs, cargo racks, & more*

### Rust Blocker

Clear durable coating protects all surfaces from rust & corrosion for up to 7 years.

### Rust Converter

Stops and transforms rust, then protects the surface in one convenient formula.

### Rust Dissolver

Removes rust and leave a bare metal surface that's ready for painting or top coating.

### Encapsulator

High solids paint can be applied over bare or rusty metal to permanently stop corrosion.
