

XL Clip-On Mirror

Use our "XL" Mirror to fit larger O.E.M. truck and van mirrors. Newly designed and patented arms extend approx. 11.5", almost 4.5" wider than our regular Clip On Mirror. A new larger mirror head allows for horizontal or vertical adjustments. This mirror will even fit many large motor home mirrors. Easily installed or removed. Fits right or left side and does not obstruct existing mirrors.

Clip-On Mirror

Prime's Clip On Tow Mirror easily installs with adjustable rubber straps to the O.E.M. mirror on most autos, vans, or pickups. It will not obstruct the vision of your existing mirror. No tools required for installation. Works great on the sport style mirror commonly found on Jeep Wagoneer, S10 pickups, and other hard to fit vehicles. Mirror arms extend approx. 7". To fit larger vehicle mirrors, use our "XL Clip On Mirror.
